COLLECTION SHEET

www.diphano.com

As our most modular collection, Link offers infinite possibilities. With removable backrests and a light structure, both seating and tables can be switched up to match your own unique design.

Its soft, rounded cushions, laminated fabric in twisted linen and elegant teak legs show the collection's remarkable eye for detail.

maintenance

POWDERCOATED ALUMINIUM

Simply brush away loose dirt, rinse, and clean with a mild, lukewarm soapy solution. Rinse thoroughly and pat dry with a cloth.

FABRICS

Simply brush away loose dirt. Spray on a cleaning solution of water and mild soap. Use a soft bristle brush to clean and allow cleaning solution to soak into the fabric. Rinse thoroughly until all soap residue is removed and allow to air-dry.

NATURAL TEAK

Simply brush away loose dirt, rinse, and clean with a mild, lukewarm soapy solution. Rinse thoroughly and pat dry with a cloth. If the teak is 100% dry and free of dust, you can apply our Teak stain protector to make it repellent to water and moisture. Avoid the use of abrasive products and solvents and high pressure cleaning.

Teak stain protector

Saturates teak to make it repellent to water and moisture. Helps to prevent stains (e.g. wine stains, barbecue stains...). Easy to apply. Transparent finishing.
